

TASTE YOUR WAY THROUGH ODSHERRED

Discover amazing new ways of producing and experiencing food. This trip is designed for gastrotourists who are curious about new food experiences.

9:00 – 10:00 Breakfast at Dragsholm Slot

10:15 – 10:45 Drive to Anneberg Kulturpark at Nykøbing Sjælland

11:00 – 12:00 Guided tour with tasting at Contempehrary

- At Contempehrary they produce Nordic Tempeh – a sustainable plant-based product. Your guests will get a guided tour through the production and hear about how Nordic Tempeh is made. Afterward, you will taste the Nordic bean sauce, which they also produce. Furthermore, your guests will taste tempeh and get some inspiration on how to use it. The participants will receive a goodie bag afterward.

12:15 – 13:30 Lunch at ERBA

- ERBA is an Italian restaurant in Anneberg Kulturpark. Here your guests will get an amazing Italian lunch with a local twist. The pasta is homemade and accompanied by delicious local ingredients. At lunch, the guests can choose between a glass of wine or a glass of local juice from Sidinge Gårdbutik.

13:30 – 16:00 Guided tour at Danish Seaweed

- At Danish Seaweed they harvest seaweed from the Danish oceans. The harvested seaweed can be used for many different purposes, which they are experts in. On a seaweed safari, your guests will try to harvest seaweed in the ocean. They will learn about the different types of seaweed, how to use the different kinds, and how to know the difference between the different types of seaweed species.

16:00 – 16:30 Drive from Anneberg Kulturpark to Vejrhøj Vingård

16:30 – 17:30 Guided tour with tasting at Vejrhøj Vingård

- Vejrhøj Vingård is located close to Dragsholm Slot. It is situated in the middle of the end-moraine hills, which is why the view from the vineyard is terrific. At Vejrhøj Vingård your guests will get a small tour and some information on how they produce their different wines. And in the end, it is possible to taste the wine.

17:30 – 17:33 Drive from Vejrhøj Vingård to Dragsholm Slot

Total: 1230 DKK per person
